

NOMINATIONS ARE OPEN FOR APPOINTMENT OF COMMUNITY MEMBERS TO THE
RUSSELL VALE COLLIERY & WONGAWILLI COLLIERY COMMUNITY CONSULTATIVE COMMITTEES

Want to contribute to your community?

Many State-significant projects in NSW have Community Consultative Committees. These committees provide a forum for open dialogue between the proponent and representatives of the local community, stakeholder groups and local councils on issues directly relating to the project.

We are looking for a mix of people who live locally or are members of a stakeholder group (community, environment, Aboriginal or industry) to join either the Russell Vale or the Wongawilli Community Consultative Committees. Both Russell Vale Colliery and Wongawilli Colliery are located in the Illawarra district and are operated by Wollongong Coal Limited. Your role as a committee member is voluntary.

Selection Criteria You will be expected to contribute constructively to committee discussions, to attend around four meetings a year and communicate information about Wollongong Coal between the committee and the broader community. Additionally, your appointment will be subject to:

- being a current resident or landowner in the affected local government area/s;
- being able to demonstrate your involvement in local community groups or activities;
- having knowledge and awareness of the project and related issues of concern to the local community;
- being able to represent and communicate the interests of the affected local community; and
- being willing to adhere to the committee's code of conduct.
