- No current approval variations or applications

6.5 Safety

Mine manager to provide summary of safety issues.

7 Community Issues

1. One complaint during the reporting period. Complaint sent to DPE regarding information on the WCL web page not up to date. The information in question was discussed in the September CCC meeting.
2. Fencing issues on S/W boundary of emplacement. Looking into lease agreements and what is needed to fix issue.
3. Proposed new development on southern boundary of emplacement creating right of way issues with farmer on our boundary.
4. Management of drain in DP255294 and transfer of title. WCL not managing this land. Issues with sediment and rubbish coming from new development. Transfer of title has been reactivated with WCL corporate.

General Business

Next Meeting

- To be discussed at the meeting.
